R E P O R T

[To accompany H. Res. 1277]

The Committee on Rules, having had under consideration House Resolution 1277, by a nonrecord vote, report the same to the House with the recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for consideration of H.R. 5781, the “Federal Employees Paid Parental Leave Act of 2008,” under a structured rule. The resolution provides for one hour of debate equally divided and controlled by the chairman and ranking minority member of the Committee on Oversight and Government Reform.

The resolution waives all points of order against consideration of the bill except those arising under clause 9 or 10 of rule XXI. The resolution provides the amendment in the nature of a substitute recommended by the Committee on Oversight and Government Reform shall be considered as adopted and the bill, as amended, shall be considered as read. The resolution waives all points of order against provisions of the bill. This waiver does not affect the point of order available under clause 9 of rule XXI (regarding earmark disclosure).

The resolution makes in order the amendment printed in this report if offered by Rep. Davis of Illinois or his designee. The resolution waives all points of order against such amendment except those arising under clause 9 or 10 of rule XXI. The amendment made in order shall be considered as read and shall be debatable for 10 minutes equally divided by the proponent and an opponent.

The resolution provides one motion to recommit with or without instructions. Finally, notwithstanding the operation of the previous question, the Chair may postpone further consideration until a time designated by the Speaker.

EXPLANATION OF WAIVERS

Although the rule waives all points of order against the bill and its consideration (except for those arising under clause 9 or 10 of rule XXI), the Committee is not aware of any specific points of order. The waivers of all points of order against the bill and against its consideration are prophylactic.
